Carbondale, IL

Version date: August 13, 2019

Monday, September 23, 2019

3:00-6:00 p.m.—**Presbytery Seminar with Roy Atwood:** Roy Atwood is one of the principal founders of New Saint Andrews and is now a member of the Nicea Consulting Group. He will be presenting a new possibility for a "worldview and work institute" to be developed in Southern Illinois. From Bill Smith, "We have seen the need in our area for discipleship that combines intellectual development with business skills training. This need is not particular to our area. We believe that this prospective institute will be a good resource, not only for our area and our denomination, but for the wider kingdom of God. We would like to present our plans and hear your input. We want to know if you and your churches are interested in such an institute and would encourage your post secondary (college-aged) children to participate." Bill will be sending out more information before the seminar.
